

FROM THE MAKERS OF THE POPULAR SAPHIR CLIPPER

# Introducing the Midi & Mini

Trimmers for small animals

Lightweight | Cordless | Quiet | Long Battery Life | Precise

Following the footsteps of the popular Saphir clipper, the new Midi and Mini trimmers are designed for the contouring and final styling of your pet's eyes, ears, belly, paws and tail. The easy to hold design, impressive battery life and variable cutting lengths make the Midi and Mini trimmers essentials for your grooming kit.

Try the new Midi and Mini trimmers & ask for a ProGroom sample bag from your local Heiniger rep or call us on (08) 9434 0000 to learn more.
