## ZIWI Peak - Top-Rated Natural New Zealand Pet Nutrition

A growing number of pet owners are looking to give their dogs and cats the very best in nutrition, and since its re-branding earlier this year, sales of ZIWI Peak in Australia have increased dramatically, and continue to grow. Are you catering to this demand, and providing these discerning consumers with what they want?

A complete, convenient 100% natural, shelf-stable meat diet with no hassle?

- Top-rated by all leading independent food studies and reviews.
- All the benefits of raw feeding, with no need for refrigeration, freezing or thawing.
- 100% free-range human-grade meat. Over 95% digestibility. 98% meat and seafood.
- With 7% cold-washed Green Tripe and 3% New Zealand Green Mussel.
- No corn, grains, starches, sugars, added salt, preservatives, colours, hormones or antibiotics.
- Long shelf-life. Super-convenient. No food handling or storage safety issues.

Available for cats and dogs. Air-dried meat in convenient resealable pouches. Or moist formula in easy-tab cans, with ultra-safe BPA-free lining, carrageenan-free gelling agent and no TSPP.
