

Introducing the Small Animal Clipper & Trimmer Range from Heiniger

Saphir, Midi & Mini

Lightweight | Cordless | Quiet | Long Battery Life | Precise

The new Midi and Mini trimmers complete the existing Heiniger small animal clipper range. They deliver the same quality performance and precision expected from the popular Saphir clipper, but in a smaller, lightweight and more portable package. The clippers and trimmers are renowned for their ergonomic design, impressive battery life and variable cutting lengths. Their surprisingly quiet operation and precision make them the ideal addition to your grooming kit.
