Stunning gardens at the Mercure Hunter Valley Gardens Resort

Another successful AusBoard conference has been held, this time at the Mercure Hunter Valley Gardens Resort.

Delegates enjoyed the beautiful surrounding gardens and the cosy atmosphere with open fires at the resort.

We had a great line up of speakers including Brett Melke from Brett Melke Animal Law, Jules dos Santos from Divine Creatures, Dr Ben Porter from Royal Canin, Karen Smith from M10 Collective, Dr Michael Kidd from Hurlstone Park Veterinary Hospital and Renee Turpin from Employsure. We also had a great dog training session from Glenn Cooke from Pet Resorts Australia.

Thank you to all our speakers for putting together such interesting and informative presentations.

Thank you also to our sponsors Royal Canin.
