

WHAT'S NEW

1

1. KIRAMEKI – ORANDA AND LIONHEAD FOODS

New to the popular Kirameki Koi Food range are two specialty Goldfish Foods – Oranda and Lionhead – designed to meet the special needs of these two species.

2

2. PURE LIQUID – POWER WATER CONDITIONER

Developed in Japan for the demanding Japanese aquatic market – Pure Liquid is a breakthrough in water purification techniques. Containing over 2000 natural Minerals, Compounds and Elements it aids bacterial cultivation, removes harmful water additives like iron, copper chlorine & chloramine, and creates crystal clear water in hours even in the worst cloud conditions. For safe use in both Fresh and Marine aquariums, Pure Liquid also helps to boost fishes immune systems, and accelerate healing in fish treated for skin diseases like Fin rot, mouth fungus and internal injuries.

3

3. FURKIDZ ROYAL SHAMPOO RANGE

Developed for the those that want a little more in their pet shampoos – Royal Shampoo has a superior formulation, and silky feel, along with an amazing art deco design to catch the customers eye on the shelf. Priced very well to attract volume and repeat business – this range has a range of 7 types of coat applications including Puppy and Cat.

4

4. MAGNA SALT FOR AQUARIUMS

Salt is an essential additive to all aquariums, replacing this mineral that leaches into rivers through its banks – and does not happen in closed aquaria. Magna Salt goes further than regular salt as it adds a special blend of Epsom Salts to the mix to help toughen up skin and scales and hence resistance to fish diseases. Available in 600gm, 1200gm. and 2400 gm boxes – Magna Salt also accelerates the healing of any wounds or damaged fins.

5

5. K & H HEATED BEDDING FOR PETS

Available in a range of both heated Mats and Beds – the K & H range contains a fully AU approved low voltage heater pad in every item. A number of different styles for both Dog and Cat are available. These heater pads are also available to replace separately or to purchase to place in existing bedding.

7

6. WONDERFOLD COLLAPSIBLE PLASTIC PET BED

Developed and produced in Denmark – the Wonderfold Pet Bed is available in both Light and Dark Grey colours and in two sizes – 55 x 36cm and 90 x 45cm. Perfect for travel – this bed folds flat to be easily packed away for saving space and convenience.

6

7. PERSONAL PET TRAVELLERS

Just arrived – a new range of designer inspired portable pet carriers. Available in Pink, Blue and Black and in two sizes – they have a fashion look about them while being well ventilated practical for the purpose of travel cats and small dogs.
