 It's not every day that you get to do the things you love for work. At Digipets, you guessed it, we love digital and we love pets, so creating a digital marketing agency that combined the two was a no-brainer! Founded and backed by the integrated marketing agency Now Comms Group, we created Digipets to fill the gap in quality digital support offered to the Australian pet industry. Leveraging our 10 years expertise and know-how of this industry, we exist to deliver tech-enabled, strategic digital solutions for pet brands, retailers and distributors to solve real-life business problems. After working with players big and small for the past 10 years, we know what we're talking about. So come have a chat with us to create something great. We'd love to work with you.
